About

Hello :)

A perceptive, friendly, and expressive designer who takes a deeply analytical approach, striving to create the best designs possible with a quirky twist to make them stand out from the rest. Regularly works within a team, uplifting others without dragging them or myself down.

Experience

Student Life Ambassador Team Lead (2 years)

Johnson County Community College

- Promote events through different mediums including various digital and print platforms.
- Engage with individuals from a wide range of backgrounds, curating experiences specific to them.
- Work within an established brand, following their guidelines and values while creating visually appealing designs in line with standards.
- Oversee and support a team as the first Student Life Ambassador Team Lead, gaining knowledge about leadership techniques and application.

Retail Associate (2 years)

Ulta Beauty

- Hands-on experience with packaging and promotional materials, creating displays to best support the different brands in delivering their message.
- Assemble planograms, taking note of specific specs and placements needed.
- Awareness of changing markets and trends to relate and sell to customers on what best fits their needs.
